Join us for some Serious Fun this season!

Our 2011-2012 season, Music of the Masters, will feature some of the greatest masterworks ever written: Dvořák's *Symphony No. 9*, Gershwin's *Concerto in F*, Mozart's *Symphony No. 40*, to name but a few of the timeless composers you will be hearing.

We kick off the season with some ragtime fun, and then continue along with the Romantics. We will experience both tango rhythms and life in nature, and engage in some powerful and thrilling emotions along the way. What's more, the Emerson String Quartet will be appearing for a special 'one night only' event. All in all, it will be a season of unforgettable music and exhilarating performances you won't want to miss!

So Please bring your friends and family and join us at the Palace Theatre!
