“The Stern Family is proud of its rich association with the Stamford Symphony over very many years. At this time it is essential that we all do the most we can to maintain this cultural gem, for the whole Fairfield County community.”

“We should never forget the power of music, even in times of hardship, to provide enjoyment, satisfaction, relief and a community spirit. The Symphony continues to provide numerous opportunities to access music online, and now is a great time for us all to show our support.”
